

Friend of mine

V:

Why don't I just give up
Why don't I just give in
Cuz I'm holding on to a falling tree
My worlds been quaking right under me, oh friend of mine

C:

Can you teach me to kiss the morning hello, I want to know,
Is there a chance for me to be, a friend of mine

V:

Why don't I take a seat
Next to the water for free
Let the mirror speak the truth to me
Like a shot of reality, oh friend of mine

C:

V:

Why don't we team up
Why don't we break free
From the yoke of hypocrisy
And live like children in honesty, oh friend of mine
