

## Mighty Man

V:

All our stories are secrets  
No-one else dares to know  
Won't share it with anyone  
But our hearts are about to blow

B:

Staring at the stars, caught in a moral trench,  
Woa---searching and finding,  
deep down we're hurting men...woa...

C:

Search your soul, find the hero hidden there  
and Draw the sword, join the fight because you are a mightier man

V:

Our hearts are on fire,  
Full of passion and dreams,  
Brimming over with desire  
But our heart they are not free

B:
