

No1 2 Blame

V:

For 3 years I've been hanging and now you come disturb my equilibrium
Nothing can describe this sudden change in my position on my independent state

C:

I have no one to blame for this claim on my feelings but you and your loving heart
I have reason to believe that this pain that I receive when you're gone is all from God.

Shalala-Shalalalalala.....

V:

Visions of a future start playing in my mind I gotta keep myself in check
But your love brings back the memories of my boyhood fantasies of a perfect girlfriend

C:

V:

And so the time passes and wedding bells have rung and I keep on falling for
The princess in my t-shirts and friend in my jerseys that keeps my heart racing mad
