

## Promised Land (Hold your head up high)

In the battle    battletime  
For your dreams and your life  
Even as you fall

Hold your head up high

In the daze    of the fight  
Courageously        fight for your side  
Even as you cry

Hold your head up high

Keep your face from the desert sand

Lift your head to the promised land

Where the dream is you believe in

Don't falter, don't doubt, don't die

Just hold your head u-up on high

Crashing waves        like your desires  
Pounce the world    of nevers and lies  
No matter if you die

Hold your head up high
