

Shine to the World

Hold my hand the road is long
Feel's like I am alone
Can't chart the course Cuz I am confused
With all the things I hear

Like

“Ces't la vi, Carpe Diem

It's the way it is, get on with it and live our...

Lives, now, my friend

Don't waste time,” but they all do the same

Just Shine, on to the world x2

Keep shining on to the world

Where is the man that I recognized
When I look in the mirror?
Did he get brainwashed by the ones
That speak the jargon like this...

Ces't la vi, Carpe Diem, It's the way it is get on with it...

I think I'm goin' I think I'll leave
This mess that's here around me
And find a road to the future
With the One I can trust ...without the
